About Inês

Inês is a managing associate in the Dispute Resolution practice. She has 20 years' experience in legal practice and focuses on civil, corporate and commercial litigation.

Inês has assisted a variety of multinational companies and Portuguese economic groups coming from sectors such as energy, real estate, industry and banking. She also has experience in litigation involving maritime law and is regularly involved in very complex court cases involving high values and often more than one jurisdiction. Inês represents Portuguese and foreign individuals and companies, defining procedural strategies and representing her clients in corporate and financial litigation, among others.

During her time at PLMJ, Inês has spent two periods working on secondment at multinational companies, one in the banking sector and the other in the personal and domestic hygiene sector.

Specialisations: Complex commercial litigation

Languages: English, French
