## ESG Forum: Portugal 2026

26 MAR

10h00–14h00

PLMJ

Av. Fontes Pereira de Melo, 43  
1050-119 Lisboa

This year's event will explore the evolving legal and regulatory landscape of sustainability and energy transition in Portugal.

Two panels of leading experts will discuss the role of corporate governance and sustainable finance in shaping Portugal's energy transition. They will also examine the growing importance of litigation, liability, and enforcement in relation to sustainability claims across sectors.

The event will conclude with networking and light lunch.
