About PLMJ

PLMJ is a **full-service, multidisciplinary** law firm with 50 years' experience and an impressive track record in advising on a vast number of domestic and cross-border deals, from the most simple to the most complex.

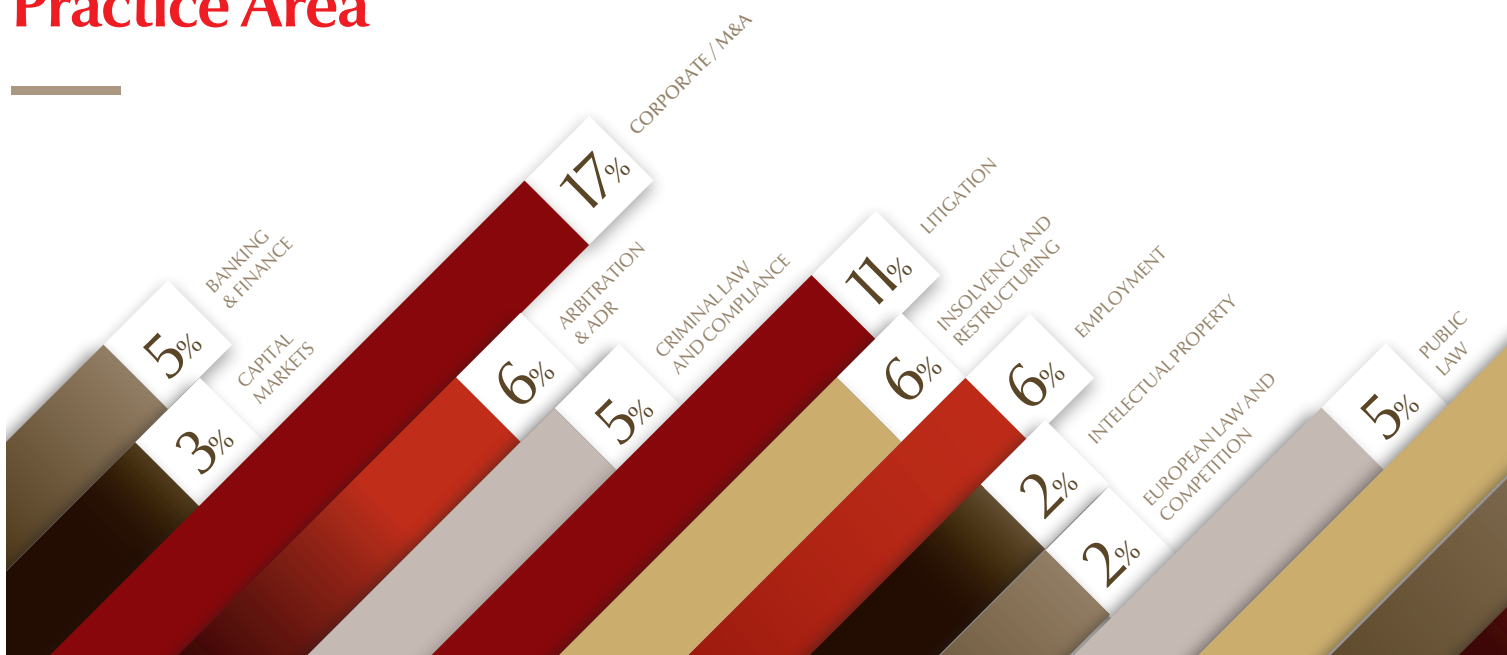

PLMJ's more than **290 lawyers**, including 61 partners, offer reliable and efficient legal services, 24 hours a day, seven days a week, and our lawyers are highly committed to exceeding our clients' expectations and respecting their budgets.

PLMJ has built a solid network of partners in Portuguese-speaking countries – **PLMJ Network**.

Working with **PLMJ Network**, clients will find multidisciplinary teams of lawyers in the perfect position to provide legal services in different countries. **All the services are provided with a high degree of cost efficiency and with in-depth knowledge of local markets and legal systems.**

PLMJ is Portugal's largest law firm and is proud to be one of the leading and most innovative law firms in Continental Europe according to the Financial Times.

Global Clients

PLMJ represents a number of large international companies, some of which are Fortune 500 companies and it advises some of the country's largest listed companies as well as private companies and individuals.

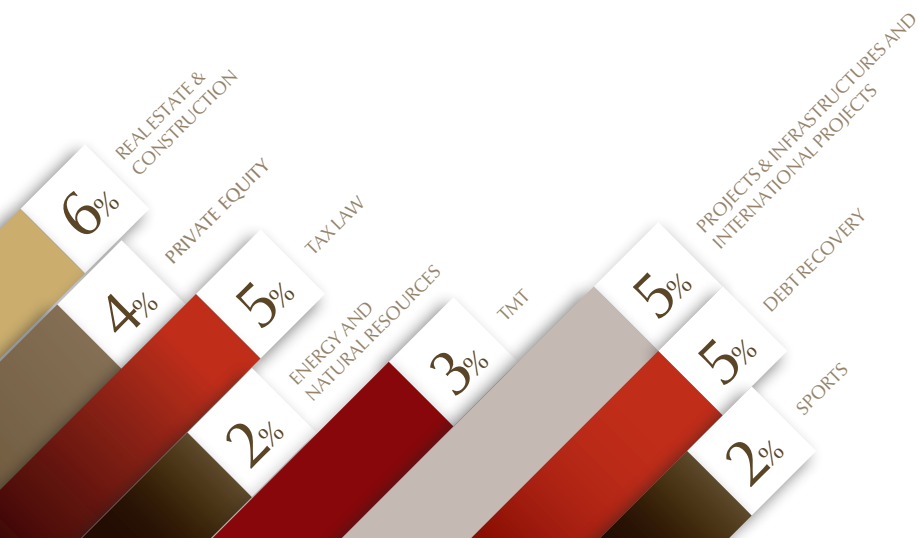

PLMJ's clients include listed companies, leading domestic and international banking institutions, and companies from sectors such as financial services, health, construction, aviation, insurance, real estate and telecoms.

"The lawyers are practical and take real life as well as the law into account. They give us advice which we can execute and which will work. Attentive, efficient and fast."
